“Baby Bottle” Collection to Support

Holy Family Hospital of Bethlehem Foundation

HOLY FAMILY HOSPITAL in BETHLEHEM

A mere 500 yards from the place where Jesus Christ was born and lived, Holy Family Hospital stands as a beacon of hope and a haven for the defenseless throughout the Holy Land. This Catholic teaching Hospital provides state-of-the-art maternity and neo-natal care to women and children of the region regardless of religion, nationality or ability to pay. The Hospital’s work – serving the poorest of the poor in the shadow of Christ’s birthplace – is a testimony of Christian charity.

Like Mary, Joseph and Jesus, families in the Bethlehem region today live in impoverished circumstances. This Advent season, please consider sharing the gift of a safe and healthy birth with a woman thousands of miles away by helping to collect donations to support Holy Family Hospital. As Catholics, we, the Church, teach respect for all life; help us to spread this message by giving to this great cause!

To do so, cut along the dotted line below and affix the label (with your completed name and contact information) to your “Baby Bottle”, provided by your classroom teacher. Collect donations from your family, neighbors and friends to support Holy Family Hospital in Bethlehem. When you return your bottle on [date], this label will be removed and placed in a raffle for a [raffle item], to recognize your efforts. Thank you so much for your caring spirit and generous support!
