Life, Peace, and Hope TO MOTHERS AND BABIES IN THE HOLY LAND.

Every baby is treated with love and respect as doctors work to save and care for each life — regardless of size or severity of illness. Babies as small as 1.5 lbs are regularly nurtured to full health in our state of the art Catholic teaching hospital.

Christians and Muslims work side by side at Holy Family Hospital, making it a vital instrument of inter-religious peace in the Bethlehem community.

Families are hopeful for a happy future as their babies are treated in the only neonatal intensive care unit in the region — receiving lifesaving care that helps over 400 babies annually.

HOLY FAMILY HOSPITAL

Located just 1,500 steps from the birthplace of Christ, Holy Family Hospital in Bethlehem is a state-of-the-art maternity and neonatal critical care center serving poor and at-risk families in the West Bank of Palestine.

The Hospital stands as a beacon of hope for women and children in the Bethlehem region, including those living in remote desert communities and United Nations refugee camps.

As a primary work of the Order of Malta -- the world's oldest Christian charity -- the Hospital serves to further the Catholic values of preserving life, fostering peace, and giving hope to those without a voice. **No one is ever turned away.**
